Welcome to BayBriar Training Facility. I would like to take a few moments of your time to give you directions and a few suggestions that may be helpful for training your dog during classes.

**DIRECTIONS:** From Rt. 50 in Easton, Md., Take Chapel Road East toward Cordova, Md., Follow Chapel Road out about 6 miles. You will cross over three intersections, Black Dog Alley, Three Bridge Branch, and Kitty's Corner Road , about ½ mile after Kitty's corner intersection, turn right on Geib Road, I am the fourth house on the left. It is a white two story house at 31834 Geib Road.

From Denton take Rt. 328 [Easton, Denton Rd.] toward Easton. Cross over the Tuckahoe River Bridge, keep straight for 2.2 miles and turn right onto Lewistown Road, follow for about 2 miles to first cross roads and turn left onto Geib Road. Go one mile and I am the next place on the right, 31834 Geib road.

**CLASSES ARE HELD INSIDE AND OUTSIDE :** We have two fenced areas outside for teaching both obedience and agility. We also have a large indoor facility for training in all kinds of weather. We teach both inside and outside depending on the weather. Always wear clothes and shoes appropriate for the weather conditions. The inside facility is heated. If it is very cold outside we will cancel class for that night.

**CANCELLATION OF CLASS:** In the case of extreme weather conditions, cold, heat, ice and snow class will be canceled. If your are not sure whether class is being held you can call 410-820-2041 and leave a message or check the website [cdogrunagility.com](http://cdogrunagility.com) I usually try to make the decision by noon on the day of class if not sooner.

**LEASHES AND COLLARS:** Your dogs must be on a leash unless instructed otherwise. If you have a nice leash and collar, don't go out and buy something you may not need for class. I keep a good supply of leashes and collars on hand to make sure we have the correct size and style collar you need for training. If your dog has a buckle collar on, please make sure it's on tight enough that it will not pull off over his head.

**REWARDS AND TREATS:** Please bring some treats and toys to class every night. You might not use them every night but please keep them with you so you have them when they are needed. We use treats and toys to reinforce your dogs for a job well done. Treats need to be something that the dog values and can be eaten quickly without chewing. Broken up dog biscuits don't make good treats for teaching because it takes to long for the dog to eat them and then the dog is looking for the crumbs they produce. Pupparonies are a good treat. They are soft and can be broken into small pieces

**FEEDING AND EXERCISING YOUR DOG BEFORE CLASS:** Dogs should come to class hungry. Do not feed the dog a large meal before he comes to class. If he eats dry food you can bring his dinner with you and he can earn some of it during class.. I don't want the dog to be starving when he comes to class, but I would like him to be on the hungry side. Please walk your dogs before class begins. Please pick up after your dog. Clean up items are available.
